Board of Selectmen  
Town of Fitzwilliam, New Hampshire

We have compiled the financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 2004 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

### RSA 79-A:1 Declaration of Public Interest

"It is hereby declared to be in the public interest to encourage the preservation of open space, thus providing a healthful and attractive outdoor environment for work and recreation of the state's citizens, maintaining the character of the state's landscape, and conserving the land, water, forest, agricultural and wildlife resources. It is further declared to be in the public interest to prevent the loss of open space due to property taxation at values incompatible with open space usage. Open space land imposes few if any costs on local government and is therefore an economic benefit to its citizens. The means for encouraging the preservation of open space authorized by this chapter is the assessment of land value for property taxation on the basis of current use..."

## **2004 BOARD OF SELECTMEN'S REPORT**

The Board of Selectmen would like to thank our employees, elected officials and volunteers on various committees for their dedication and hard work for the Town of Fitzwilliam. We appreciate your commitment to making the town run smoothly.

The Town of Fitzwilliam ended 2004 in good shape financially. Since this was the second year of the MRSD funding formula change, we again saw a large increase in the local school portion of the tax rate. We decided to use \$75,000 for the general fund balance to reduce the tax rate for 2004. This amount was significantly less than what we were able to use last year so many of you saw an increase in your bills due to the school. The Town portion of the bill remained nearly the same as last year, due to many budget cuts both during the budget process and on the floor of Town Meeting.

The monumental project to construct a pump and sprinkler system for the Town Hall was brought to completion this year thanks to the persistence of our Road Agent, Gene Cuomo and our Town Administrator, Paula Thompson. Unbelievable as it may seem, even to those involved, the project came in under budget in spite of numerous delays and inadequate engineering plans. Thanks go to our highway crew for building the pump house, installing the underground pipe and all the other site work necessary behind and next to the Town Hall. We were also able to pave the parking area next to and in front of the Town Hall once the site work was completed.

The painting of the Town Hall tower has been rescheduled for this spring and we carried the money forward for this project that was appropriated at the 2004 town meeting.

The CIP Committee, which was formed at the 2004 town meeting, has developed a plan with recommendations for the 2005 budget. This plan will help both the Board of Selectmen and Budget Committee to budget for town projects more effectively.

2004 was our year to perambulate the boundaries of the town and we were able to get to many of the boundary markers. The State of New Hampshire RSA's require perambulating to be done every 7 years.

The article for funding a partial revaluation of town property did not pass in 2004. Property and land sales have continued unabated and mostly well above our valuation. This has caused our equalization to drop to 71% and caused our coefficient of dispersion to fall below state guidelines, which will trigger a forced revaluation of the town. Therefore, we are again proposing an article to address this issue. If it does not pass, the State of New Hampshire Board of Tax and Land Appeals will mandate us to do a revaluation. This will not be conducted by the Town and will therefore be much more expensive and out of our local control.

## 2004 REPORT OF THE HIGHWAY DEPARTMENT

The Highway Department major road project for 2004 was the rebuilding of Holman Road. The project was completed under budget and the finished roadway is a great improvement. Road projects for 2005 include Templeton Turnpike Road, Collins Pond Road and Number Four Road. These roads will have culverts replaced, brush cut, roadside ditching done as well as rock removal. The roads then will be resurfaced with asphalt.

I would like to give the townspeople an update of the equipment the Highway Department is using to maintain our roads, to help answer any questions about the warrant article to purchase a new truck.

- 1- 1981 Ford L-8000 Sand Truck approx. 125,000 miles- condition fair
- 2- 1987 International 1954 Dump Truck 115,000 miles – condition poor
- 3- 1997 International 4900 Dump Truck 50,000 miles – condition good
- 4- 2003 Ford F-550 1 Ton Dump 15,000 miles – condition excellent
- 5- 1985 John Deere 544C Loader 15,000 hours – condition good
- 6- 1987 John Deere 570 B Grader 10,000 hours – condition good
- 7- 1994 Ford F-150 Pickup 194,000 miles- condition poor

The truck which needs to be replaced is the 1987 International. The truck's frame is separating due to age, and the fact that it has been bent and straightened at least twice. I have been informed that this truck will no longer pass State inspection coming up in March. The cab of the truck is rusty and there are other issues which make repairing it unfeasible. The Town got their money's worth out of this truck and it's time to retire the old girl. The Town has not purchased a brand new large truck since 1987, the 1997 was purchased used. I hope you will support the warrant article.

While I am on the subject of trucks, the 1994 Ford pickup which was purchased used from the State some years ago, is also going to be retired this year. This pickup is being replaced by a 2005 F-150 Ford pickup which was purchased brand new with unexpended money from the 2004 Highway budget.

I want to thank my fellow Highway workers, all of the contractors who help with town projects and the people of Fitzwilliam for all you do.

Respectfully submitted,  
Gene Cuomo, Road Agent

## 2004 REPORT OF THE TRANSFER STATION

Last year a committee was formed to study the Town Transfer Station. The committee's goal was to look at all aspects of the operation of the Transfer Station and make recommendations to the Board of Selectmen, that report is included in this year's Town Report.

On the Town Warrant is an article for improvements to the Transfer Station recommended by this committee, I hope you will support this article.

## 2004 REPORT OF THE SOLID WASTE/RECYCLE COMMITTEE

A Solid Waste/Recycle Committee was formed in 2004 with the purpose of finding ways to better serve the municipal solid waste (MSW) and recycle needs of the people in Fitzwilliam. Recognizing the need for communication, the Committee published several informative columns in the Fitzwilliam Newsletter.

Transfer Station data for the years 1998 to 2003 were examined for trends. Over that period, the annual MSW and recycling have been fairly steady at 275 and 250 tons, respectively. This means recycling has been an admirable 48% of material other than Construction and Demolition (C&D). During the same time, the C&D has grown by about 10 tons each year to 200 tons in 2003.

Changing environmental regulations have necessitated some changes since the center opened. Because the metal should not be stored on the ground where run-off could contaminate the soil, the scrap steel pile has been removed and replaced by a large roll-off container. Recently, a new program was initiated to handle electronic components that may contain hazardous heavy metals. It is no longer permissible to discard these items as scrap metal, or as C&D material. Therefore, a covered container is now used to haul away TV's, refrigeration components, and computers and other electronics.

The committee assisted the Transfer Station in suggesting physical improvements that are the subject of a warrant article for the 2005 Town Meeting. It also explored the possibility of establishing an expendable trust to be funded by revenues and used for improvements to demonstrate the value of recycling – ultimately this was rejected as not necessary.

In light of the increase in C&D, the committee has recommended that a survey of C&D fees in other towns be conducted to assure that Fitzwilliam is not being used to avoid larger fees. They also suggest conducting a new 'satisfaction survey' to update the one from the late 1990's. Because no major changes were found to be needed, the Solid Waste/Recycle Committee has been dissolved.

## 2004 ANNUAL REPORT OF THE POLICE DEPARTMENT

The Police Department was again busy with a wide range of criminal offenses. Certain offense categories indicate a substantial increase over last year and years prior. One area that gained statistically was burglary crime. You will note in the register of primary offenses, that this number is much higher over last year. There are two reasons for this, one, approximately 28 individual units at Woodbrook Condominiums Resort on Rt. 12 were burglarized. Each one counts as a separate offense, although most likely perpetrated by the same person. The second reason is that the Fitzwilliam area was experiencing a high number of drug abusers hooked on heroin. To support their daily habit, some of these addicts would commit burglaries and steal property and sell it for far less than its actual value. Fortunately, it would seem that the once widespread heroin abuse has dropped off and although there are still some who are addicted, most have been criminally convicted and sentenced to serve time. Through incarceration and substance abuse rehabilitation, the five percent of the criminals committing the eighty percent of the crimes has helped to get things under control. Besides burglary crime, our second highest offense category is DWI. Eighteen people were arrested for this offense, which is just slightly higher than last year. Aggressive patrols that focus on DWI remains a priority in order to apprehend these potentially deadly offenders. DWI is a serious offense that puts you and your family in jeopardy of a serious crash encounter. Today, there is no reason to drive intoxicated. It isn't something that is accepted in society. If you drink and drive, you lose.(your license, your money, your respect and maybe even your life).

The police department is staffed with one Chief, a sergeant, a full time patrolman, two part time patrolman and a police secretary. In essence, we are under-staffed and will really need to consider adding a full time officer in the near future. I have presented this idea in the past, but for cost reasons the Town has not supported additional full time personnel. Town growth and the predictable commercial and residential changes that are in the foreseeable future are going to necessitate an increase in police officers covering the town. I expect that by 2007, in order to have adequate staff for the population base, we will be hiring a fourth full time officer.

This year, the department offered community presentations for the benefit of the public, on drug abuse and awareness and on domestic violence. Sadly, these presentations were poorly attended. Members of the police department worked to coordinate with the speakers of these topics, arrange for a meeting room, advertise, and set up, only to be disappointed and let down by what would seemingly be a lack of interest on the community's behalf. I would like to think that our citizens support their police department and appreciate us for more than protectors of the Town.

On the Town Warrant this year is the proposal to purchase a new four wheel drive SUV for use as a police cruiser. This vehicle will replace the 1994 Jeep Cherokee which as seen its final days. In order to help defer the cost for vehicle maintenance and operation, I am planning to eliminate one of the police sedans (2000) and use only one sedan and the SUV for patrol purposes. The four-wheel drive vehicle is a necessity to the department in order to guarantee police reach their destination, especially during the winter months when the snow is deep and the roads are not plowed. I hope the Town will recognize the need for this utility vehicle and support the article to purchase it.

You may have noticed the mobile speed display board making motorists aware of their speed when entered reduced zones. This is the same board that was mounted to one of the patrol vehicles. Thanks to the Town Highway department, a small trailer was built to mount the speed board on. This now makes the board portable without tying up one of the police cruisers. We have

## POLICE REPORT - Continued

used this display in several areas in town in an effort to reduce the number of speeding complaints.

The department drew 120 cases for the year and made 84 arrests. Many cases have more than one offense committed. Drug or alcohol related crimes, thefts, and motor vehicle offenses made up the bulk of the cases. There were 55 reportable accidents with one fatality. In addition, we recorded 1,352 calls for service, up 20 percent from 2003.

## 2004 REPORT OF THE ANIMAL CONTROL DEPARTMENT

This year has been very busy for the department of animal control, having received a total of 204 animal service calls for the year. As the town population grows, so does the number of service calls I receive. The number of licensed dogs has grown to around 540, as well as additional dogs that have not been licensed. Please remember to license any dog over three months old on or before April 30<sup>th</sup>. Licensing is done at the Town Clerk's office. Also, remember any dog over six months of age needs to be vaccinated against rabies. A rabies clinic is generally offered each year in May. Please remember to always give your animals clean, fresh water, food and a warm, dry shelter in the winter and a cool, bug-free shelter during the rest of the year.

## 2004 FIREWARDS REPORT

### 2004 CALLS

The Fitzwilliam Fire Department responded to 269 calls from the period December 1, 2003 to November 30, 2004. Although this represents a decrease of 25 calls from the year 2003, it is the third highest in our history.

Among the responses in 2004 were: seven (7) structure fires, two (2) chimney fires, forty (40) motor vehicle accidents, one (1) brush fire, and twenty (20) mutual aid fire related responses to nearby communities including, Troy, Rindge, Jaffrey, Winchendon, MA, Richmond, and Royalston, MA. There were two (2) car fires, twenty-one (21) automatic fire alarms, five (5) downed trees and wires, and eleven (11) miscellaneous calls. The department also responded to one hundred eight (108) medical emergencies, and thirty-eight (38) mutual aid medical calls to nearby communities including, Troy, Rindge, Richmond, Winchendon, MA, and Jaffrey. There were nine (9) public assists/lifeline calls. January 2004 was our busiest month with 32 calls.

### PERSONNEL, TRAINING, AND EDUCATION

The department currently has thirty-three (33) active members, five (5) of whom are new to the Fire/EMS service. The department has fourteen (14) members who serve as fire personnel and four (4) as EMS personnel. Fifteen (15) members are both fire and EMS certified. There are nineteen (19) New Hampshire certified fire fighters, ten (10) members are certified at Level I, eight (8) at Level II, and one (1) at Level III.

There are eighteen (18) members who are certified at various levels of Emergency Medical Services. Fourteen (14) are Nationally Registered EMT-B (basic) members and five (5) are at the Nationally Registered EMT-I (intermediate) level. There are twenty-seven (27) members who are certified in CPR for the Healthcare Provider.

In 2004 five (5) members completed the 120-hour EMT-Basic course, one (1) member completed 100 hours EMT-Intermediate course, and seven (7) completed EMT B- re-certification.

The department continues to offer monthly training for both fire and EMS personnel. Frequently, throughout the year, personnel participated in training with our mutual aid response area as well as the training with our members in town.

In addition, personnel participated in several courses at Meadowood Training Center, as well as, at other local departments. Courses included Firefighter I and II, Self Contained Breathing Apparatus and Protective Equipment, Basic Pumps and Advanced Pumps, Basic Rescue, Arson Investigation, Advanced Self Contained Breathing Apparatus, Firefighter 101, Pediatric Education for Pre-hospital Professionals and Hazmat Operations. Personnel also participated in several courses at The Cheshire Medical Center and Southern NH Medical Center in Nashua including medication administration, as well as participating in the Center's monthly Advanced Life Support continuing education.

The Fitzwilliam Fire Department had the opportunity not once, but twice, during the year to participate in live burn training in town. The Hodgkins Family of Howesville Rd and the Brooks Family of East Lake Road donated their homes for live burn training. The Firefighters and EMS personnel of

## Fitzwilliam Firewards Report – Continued

Fitzwilliam had a wonderful opportunity to train, as did The Meadowood County Area Fire Department, and the Richmond, Rindge, and Troy Fire Departments. We would like to express our appreciation to both families for their very generous donations.

### VEHICLES

Our inventory of vehicles includes the 2003 Pierce Contender pumper put in service in May of 2003, the 1978 Ford pumper, the 1973 Mack crew cab pumper, purchased by the Fire Department membership, the 1978 Mack Tanker, 1999 Ford Ambulance and the state supplied brush truck.

### 2005 BUDGET

We have presented fire and ambulance budgets we feel meet the needs of the town and the basic needs of the fire and EMS personnel. As part of our fire department budget we have requested \$10,000.00 to replace the tank in our 1978 pumper. Due to the age and water condition, the tank has rusted beyond a simple repair. Even with this request the fire and ambulance budgets have increased only slightly. The Budget Committee and the Board of Selectmen are presently reviewing our proposals.

Townspeople can see where their money is being spent in a review of the list of calls and training activities outlined in this report. In addition, we are always open to visits from citizens at the Fire Station any Sunday morning during vehicle and equipment check. You are welcome to stop in to see what the town fire department has, and ask questions that come to mind about your fire and ambulance service.

### 2004 Homeland Grants I & II

This year through the State of New Hampshire Homeland Grant I and II the town was able to acquire a new hydraulic cutting/spreading tool for use at motor vehicle accidents and other rescue applications. The equipment acquired from this grant money totaled over \$10,000.00 including the hydraulic power unit, the combination spreader/cutter, and hydraulic hose. We acquired this tool in October and have had several occasions to use it.

### THE FITZWILLIAM FIRE DEPARTMENT, INC.

The FFD, Inc. has forty (40) members some of whom are not providers of Fire and Emergency Medical Services. This organization and the members provide great assistance with support and food at fire and rescue scenes as well as with fundraising activities that help purchase and maintain equipment, which in turns benefits the town.

In 2004 the FFD, Inc. sponsored an EMT-B class at the Depot Station. There were students from Richmond, Jaffrey, Rindge, West Swanzey and Fitzwilliam in this class. These students are now able to help out their community with EMS services. The FFD, Inc. also sponsored a 200 hour Firefighter I class with students from Jaffrey, Alstead, Richmond and Fitzwilliam. The FFD, Inc. was also provided CPR and First Aid classes to over 100 individuals this year.

The FFD, Inc. through generous donations from businesses and individuals from our community was able to raise money to purchase a Thermal Image camera. This tool aids the firefighters in several aspects of fire fighting and rescue incidents. This tool allows firefighter to see through heavy smoke,

or in darkness, it helps differentiate between hot and cold conditions. The tool will be used at almost every fire call. The FFD, Inc. at the time of this report is waiting for the arrival of this new tool.

Although paid by the town for responding to fire, rescue and medical emergencies, the members of the FFD, Inc. have put in over 1500 hours of volunteer work in 2004. These hours may have included work details, fundraising activities, service to the community, attending certified training courses including travel to and from courses, attending meetings and other activities as well as teaching many courses for the community and area fire and EMS agencies.

We thank the individuals and businesses that support the Fitzwilliam Community Calendar Project by advertising in the calendar, which is in its 14th year, as well as those who support our community events such as the Annual Fun Fair, our Holiday events and Christmas Tree Sales.

The Fitzwilliam Fire Department currently has openings for fire and EMS personnel. We are accepting applications for employment. People interested in joining the fire department must be 18 years old, in good health and willing to obtain the needed training to perform as a firefighter and or EMS provider.

The Fitzwilliam Fire Department, Inc. always welcomes members of the town that would like to join the organization. People need only to be interested in assisting the department at major incidents as well as serving the community.

## REPORT OF THE LIBRARIAN 2004

The end of the first full year in our expanded new building saw the completion of several important ongoing projects. After much study and comparison, the trustees chose a spray-on cellulose product which has greatly reduced the echo caused by the high ceiling in the meeting room. The second major project was the completion of the sprinkler system.

We also did quite a bit of work upstairs, including painting, additional lighting, rugs and the addition of shelving. The room is quite attractive now and is used for quiet study, exhibits, the ongoing book sale, storage and, planned for 2005, community art shows. The landscaping was completed in May, thanks to a grant obtained by the Fitzwilliam Garden Club, and the gardens along the pathways were a great treat this summer.

As much as we are enjoying our new space, we remain committed to updating the original 1804 building. We are currently obtaining estimates on insulating and repairing the old windows, installing an ice shield on the roof, building a new stairway into the basement and painting the exterior. Several of these projects will be on the warrant for 2005.

Usage statistics for the year indicated strong usage of library services. The total circulation of materials was close to 20,000. Computer usage was 896, with 740 reference questions and 148 cards issued to new patrons. Over 400 new books, 44 audio books, 28 videos, 13 DVDs and 42 magazine subscriptions were added to the collection as well as gifts of 127 books, 38 audio books, 43 videocassettes and 6 DVDs. The Library currently has over 1,527 registered patrons and a collection of approximately 17,000 materials.

Interlibrary loan, through NHAIS, the statewide borrowing system, showed a notable increase of over 30% with 409 books borrowed for patrons, 120 books for the Many Faces of God series and 100 large print books as well as our loan of 346 books to libraries throughout the state. New additions to the collection in 2004 were DVDS, books on CD and computer software, puzzles and games for the children's room.

In 2004, we continued our tradition of strong programming with 119 programs offered and 1,600 people in attendance. Original programs included Mr. Phil & Company, a visit by the Higgins Armory, an evening of NH Humor with writer and speaker Rebecca Rule and a thoughtful 4 month NH Humanities reading discussion, The Many Faces of God. The Dedication Ceremony was held on a lovely Sunday afternoon in June. The meeting room was packed to overflow as short speeches were given, fabulous food by the Friends and music by Denise Nolan and Leila Giroux were enjoyed and the Meeting Room was officially named for E.B. and Hazel Quick.

Regular programming included a year-long weekly Preschool Storytime, Check Out a Hero, our seven week summer reading program, A Sunny Cruise to the Caribbean, a six week winter book and craft series, a monthly Book Discussion Group and Saturday Morning Knitters. After a one year hiatus, due to construction, the Annual Book Sale came roaring back and made a record amount of money on a beautiful September day with face painting and a bake sale also offered by the Friends of the Library.

In addition to library programming and meetings the Quick Meeting Room was well used by other organizations including the Garden Club, Historical Society, District Nursing Association, Conservation Commission,

Economic Development Association, Elliot Institute and Big Brothers and Big Sisters.

In 2004 we were awarded a grant by the Children's Literacy Foundation which included the presentation of over 90 notable children's books at a presentation held at the Emerson School with founder Duncan McDougall. These books proved a wonderful asset to our summer reading program,

Volunteering continued to be a strong tradition at the Library with the Friends of the Library once again a dependable support. In addition to the Museum of Fine Arts pass, funding over \$800 worth of audio books, running the Annual Book Sale, sponsoring almost all of the programming and providing program refreshments; in 2004 they ended the year by decorating the library for the holiday season. Thanks to the Friends Board members Brandy Handy, Heidi Wood, Amy Safran, Jennifer Skelton and Sue Rolke.

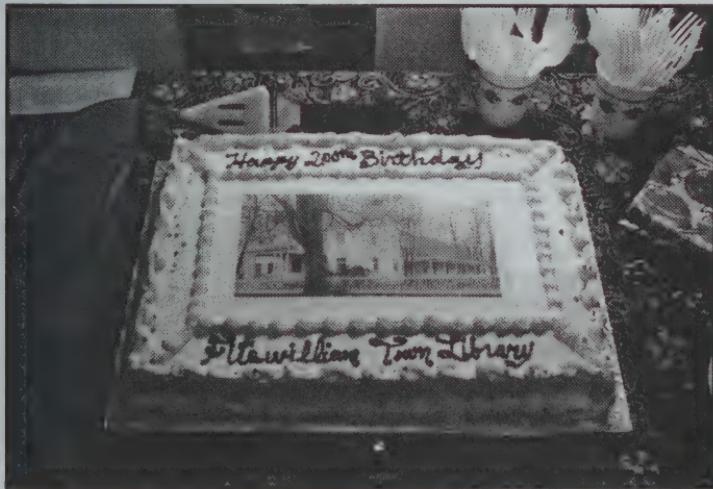

The Fitzwilliam Historical Society also provided great support during 2004, lending us several exhibits for display as well as the bicentennial quilt which is presently hanging in the meeting room. Many thanks to Terri Sillanpaa, Arian Schuster and Wendy O'Brien.

A new volunteer effort was begun in 2004 at the suggestion of Jan Ray-Thompson who has taken on the project of creating a large community quilt to be hung on the wall over the meeting room doors. There are fifteen squares in all and by the end of the year, seven of the squares had been finished. We hope to have the quilt completed and hung in 2005.

Thanks to all of our volunteers, including Matthew Codispoti, Lorraine White and Gretchen Wittenborg, to the trustee board of Carolyn Edwards, E. B. Quick, Rita Nirenberg, Joanne Kesses and Paula Baldwin, to the Board of Selectmen, to Gene Cuomo and the Highway Department for going above and beyond, and to the community for their ongoing support.

## 2004 REPORT OF THE RECREATION DEPARTMENT

2004 was yet another year to maintain the programs that were already in place. We currently offer an exercise class that combines kickboxing, strength training, Pilates and stretching exercises. These classes were moved to the multipurpose room at Emerson Elementary School in September of 2004. This is one of the self-supporting programs that we run through our recreation revolving account, not depending on taxpayer dollars. The class is taught by Veronika Patty, who is certified to teach aerobics, kickboxing, Pilates, and is a certified personal fitness trainer. Taialofa Petrini, our yoga instructor, took a year off to study yoga in India, and has since moved to Samoa with her husband, where they hold classes and retreats together. We have been unable to find a replacement for Taialofa, so yoga classes are not currently being offered.

Our 14<sup>th</sup> annual Charlie Wallace 5K road race was held on Saturday, June 19, 2004, with 66 adult runners participating in the 5K, and 12 children running the 1K Children's Fun Run. This race is run in the memory of Charlie Wallace, long time owner of the Fitzwilliam Inn and resident of Fitzwilliam. This is another self-supporting program that is run through the recreation revolving account.

The 2004 Summer Recreation Program was a success in spite of a very wet summer! Some days it seemed like it was never going to stop raining! We had 12 full day trips planned to Otter Brook and Surry, but adverse weather conditions only allowed us to take six of our trips. The children took part in daily activities like kickball, four square, camouflage, knockout, circle games, quiet games, arts and crafts and much more! We are fortunate to have such a dedicated group of counselors who keep coming back year after year!

Our Cross Country ski program was disappointing in 2004, and it had nothing to do with participation or coaching! Winter of 2004 was a terrible year for snow. Nature just did not cooperate. When there was snow, it was bitterly cold! We are keeping our fingers crossed for more snow for our program this year!

The Soccer Program participation was up this year, with 104 children ages 5-11 years old taking part in the K-1 program, junior and senior levels. The soccer program is also run through our revolving account rather than the general operating budget. This program was a success due to the tremendous volunteer efforts by our coaches and a large number of dedicated parents who put in countless hours coaching, getting donations, running a concession stand and helping out with the many other little things that need to be done to run a soccer program. More money was raised with concessions this year than ever before. As the concessions became more successful, we found that our little shed at the field was too small to accommodate both concessions and equipment storage. A group of parents decided that we needed a new shed! Materials and time were donated to build a new 8' x 12', shed, which will be used exclusively for our concession stand in the future. Ted Athanasopoulos and his son, Nik, spent many hours over several weekends constructing the shed, which will be completed in the spring. We will be looking for volunteers to help complete this project as soon as possible in the spring. Materials were donated by Tommila Lumber and Damon Lumber of Fitzwilliam, and Belletetes of Jaffrey. Many thanks to everyone who helped to make the soccer program a success!

## Recreation Report - Continued

Finally, there is still a need to replace the roof and install gutters at the pole barn at the recreation area adjacent to the tennis courts. This project was not approved at Town Meeting in 2004, and conditions have continued to deteriorate at the pole barn. During our 2004 Summer Recreation Program, it has become very difficult to find places to stay dry when it rains, and it rained a lot this past summer! The leaks in the roof have damaged the surface of the basketball courts, which were resealed, coated and painted in 2001. Also, without gutters and rain spouts, the rain comes off of the roof in torrents and continues to undermine the pavement of the basketball court. It is getting to the point that it is becoming a safety concern. At the same time, the dirt and rocks of the stone wall get washed down the hill toward the tennis courts, making it increasingly difficult to have the area mowed. Please support this project in 2005!

## 2004 REPORT OF THE TOWN CLERK

The Town Clerk's Office has been busy as usual during this year.

The amount of registrations processed during the year was more than last year, 3,543 as compared to 3,444 in 2003.

So much has happened in the office to bring everything in line with the new technology and the 21st Century. Registrations can now be renewed online 24/7 in the convenience of the registrants home. Once completed the registration(s) will be mailed back to the registrant. My hope is that more people will use this service during the coming year. To learn more about this service, email the Clerk at [fitzclerk1@ptcnh.net](mailto:fitzclerk1@ptcnh.net) or give us a call. You will avoid standing in line at the end of the month. At this time, we can only accept e-checks and regular checks, no credit cards. Fitzwilliam was one of the pilot Towns to do E-reg along with six other Towns in the State.

We are now online with the State Vital Records and can do certified copies of birth, marriage or death for anyone that was born, married or died in the State of NH. We are extremely pleased to be able to have this service for our townspeople. If you have any questions, please call us during open hours.

This year we will be using an accu-vote machine for the Town Elections. There will be an Article on the Town Warrant to vote to purchase one of these machines for the town. It will save many hours of counting ballots at the end of all the elections. We will have the election results in a matter of minutes. I hope that the voters will approve this article.

We are still organizing the Archival Room. It is coming together very nicely. Three volumes were rebound and new covers put on by the Brown River's Bindery. They are beautiful and I am so pleased with the results. This coming year more books will be rebound with new covers. The preservation of old records is so important to a Town's History. I thank Arian Schuster, Archivist, who has done such a marvelous job organizing the Archival Room.

I would also like to thank my Deputy Town Clerk, Joan McLaughlin, for all her efforts in keeping the office running smoothly and helping me to keep my sanity!

The Clerk's hours are listed in the Town Report and can also be obtained by calling 585-7791 even when the office is closed. Be sure to check the newsletter for special events and when the office will be closed for any holidays.

Thanks to everyone for your cooperation and patience with us.

Respectfully submitted,

Jane R. Wright, CTC

## 2004 REPORT OF THE CEMETERY SEXTON

This was another busy year for the Cemetery Commission and Cemetery Department. The town hired two workers this year to keep the cemetery in order. The cemeteries looked beautiful for the Memorial Day weekend. We've had many people stop by to say how nice the cemeteries looked this year.

The tool house at Village Cemetery was worked on. All of the rubbish barrels and planters were painted. The brush was removed all around the outside of the walls, this had not been done for some time.

This year we purchased a compressor for the village tool house. This allowed us to complete more of the repair and maintenance of equipment ourselves.

Next year many of the graves will need to be repaired.

Respectfully submitted,

Robert Dunton, Sexton

## 2004 REPORT OF THE PLANNING BOARD

The Planning Board's regulatory duties include the review and approval of all subdivisions, lot line adjustments, voluntary mergers and site plan review applications.

The Planning Board continued to work on its non-review functions during the course of the year and will recommend four amendments to various ordinances within the Land Use Code for the voters' consideration at the polls on Town Meeting Day, March 8, 2005. The five Land Use Ordinance Amendments presented to Town Meeting in 2004 were approved.

The Master Plan was completed and a public hearing will be held early in 2005, prior to adopting the plan. The following sections of the plan were updated: Population & Housing Demographics, Existing Land Use Data, Property Line Base Map with Zoning and the Future Land Use Plan.

Highlights of 2004 include approval for the construction of a radio tower with the capacity to co-locate cellular and mutual aide antennas, and approval for the Sunflowers Café, a new restaurant and catering business to be located in The Crossroads in Fitzwilliam, the former Kennedy Communications building. The Crossroads will house several local businesses.

The Board approved eight subdivisions, three wetlands applications, three voluntary mergers, and six site plan reviews. In the course of this work, they conducted thirty-three preliminary consultations, nine site walks and sixteen public hearings, eleven of which were continued. The Board held five meetings with the Conservation Commission, including representatives from the Southwest Regional Planning Commission in two meetings, to consider a Conservation Overlay District.

In 2005 the Planning Board will consider adopting an Impact Fee ordinance. This ordinance would allow the Town to collect fees for off-site improvements necessitated by development, such as upgrading infrastructure and capital facilities.

The Board welcomed Selectman Andy Clukey as their Selectmen's Representative in 2004. Planning Board member Carlotta Lilback Pini was named to chair the newly formed Capital Improvements Plan Committee of the Board of Selectmen.

The Planning Board meets on the first and third Tuesdays of the month at 7:00pm in the Town Hall. All meetings are open to the public and we encourage your attendance and participation.

## 2004 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeal applications from property owners who apply for relief from the terms of the Fitzwilliam Zoning Ordinance. The Board can't change zoning ordinances but it is empowered to decide appeals for properties that do not fit into the general zoning regulations, in accordance with State statute and local law as specified in the Land Usage Ordinance.

The Board considers applications for Variances, Special Exceptions, Appeals from an Administrative Decision and Equitable Waivers of Dimensional Requirements. During 2004 the Board considered fourteen appeals, including twelve Special Exceptions. Ten Special Exceptions were granted and two were withdrawn. One Variance application was approved, and one appeal to an Administrative Decision was decided. There were no applications for an Equitable Waiver of Dimensional Requirements.

Again this year, the majority of cases heard were not for relief from setbacks, but were for certain uses that require a Special Exception as designated in the Zoning Ordinance. Special Exception applications for three antique shops, one professional office and one cafe were approved, as were three applications for frontage, or front and side yard exceptions, one for extending size of a pump house and one for an apartment in a basement. The Zoning Board of Adjustment meets the second Tuesday of the month, in the lower hall of the Town Hall when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

## 2004 REPORT OF THE HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews all exterior construction located within the Historic District of Fitzwilliam. They are also responsible for the update, amendments, and adoption of the regulations in accordance with State statutes.

The Board reviewed several proposals this year which included:

- 10 Additions and replacements
- 1 New residence
- 4 New businesses and signs
- 2 New fences: 1 chain-link, 1 stockade
- 1 Above ground pool
- 1 Satellite dish
- 1 Painting of house

Residents are reminded that all exterior changes within the Historic District must come before the Commission for consideration and discussion. The Commission meets on the second Thursday of each month at 4:00 PM in the Town Hall. All meetings are open to the public and we encourage participation from all those interested.

## 2004 REPORT OF THE CONSERVATION COMMISSION

The Commission meets the fourth Monday of every month at 7:30 p.m. in the Town Hall. Our aim is to preserve clean air and water, conserve open space, sustain diverse plant and animal communities, and encourage the natural features that make living in Fitzwilliam enjoyable.

In 2004, we named Carmen Yon as Chairman, welcomed new alternate member Dorothy Zug, and reluctantly accepted the resignation of Katie Metzger as a regular member. Thanks to passage of Article 29 on the Town Warrant last year, we have increased our percentage of the Land Use tax from 25% to 50%, providing more funds for acquisition of conservation properties. Members have conducted fifteen site walks, one third more than last year, and followed up on one wetlands violation. We also acted in an advisory capacity on four projects, addressed concerns about proper use of public trails, and hired a summer intern to help with trail mapping and begin natural resource inventory work.

We sponsored a Natural Resources Inventory workshop presented by the Southwest Regional Planning Commission at the library. Members have also attended workshops on community planning, land use law and environmental regulations, subdivision and site plan review, forest laws, agriculture, and invasive species. We have attended meetings of the town Planning Board, the Hazardous Mitigation Committee, the Natural Resources Council of the Southwest Regional Planning Commission, Cheshire County Conservation District, and the Fitzwilliam Garden Club.

This year we purchased aerial photographic maps of the town to assist in locating wetlands. As part of our Forest Management program, we also obtained signs that will soon be posted on our conservation lands.

We completed a Good Neighbor Guide, listing contact information and procedures for landowners to follow before embarking upon various projects that could have environmental consequences. This is now included in the packet given to newcomers of the town. We also obtained space at the library where conservation related information is available to the public, and assigned jobs to our members based on strengths and experience. We advertised dates of Household Hazardous Waste collections days, and continue to provide a monthly column about conservation issues in the town newsletter. We updated our Capital Improvements Plan and continue work on our 10-year Conservation Plan.

We worked extensively on identifying and mapping the town's most environmentally sensitive areas, and looked into creating a conservation overlay district. We will continue to work toward protecting the town's most precious natural areas and support the Planning Board in their efforts to control development and discourage sprawl. The board has begun exploring a "Vision- to- Action " forum, a multi-dimensional town-wide process, possibly to be undertaken with guidance from The Antioch New England Institute.

An article on this year's Town Warrant will allow us to place easements on town conservation land in order to ensure that such properties are always kept for their intended use. We hope you will support this article.

## 2004 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers; and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met.

If you should have any questions with regard to permitting for construction please contact the Board of Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2004, 113 construction permits were issued. Of the 113 permits issued 15 were for new single-family dwellings. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

## 2004 REPORT OF THE CAPITAL IMPROVEMENTS PRORGAM COMMITTEE

The Town first adopted a Capital Improvements Plan in 1988. It was drafted and maintained by the Planning Board, until last year when legislation authorized the development of a Capital Improvements Committee. The 2004 Town Meeting approved the formation of our committee, which was appointed shortly thereafter.

A Capital Improvement Program (CIP) is an important tool for a municipality to manage growth. In the CIP, all proposed capital improvements such as major equipment, vehicles, special studies, land, buildings, road construction, and other items with a cost of \$5,000 or more, are reviewed at once and prioritized over a seven-year timeframe. The Plan takes into account the Town's expense and revenue trends, levels of population, and forecasted growth, and helps stabilize tax rates by reducing sharp fluctuations in the town budget from year to year.

The CIP Committee's first task this year was to meet with department heads and review their proposals. Each was assigned a priority level of urgent, necessary, desirable, or deferrable. The next step was to put the proposals down on paper to see the impact of completing all of them in the time frame proposed by the department heads. Finally, the Committee attempted to reorganize the projects, based on priority, to form a realistic plan.

The Committee's recommendations for the current year were presented to the Selectmen and Budget Committee members, who decided which ones to include in the 2005 budget. The voters at Town Meeting have the ultimate say in determining which projects will be completed and which will not. The CIP Committee will meet again next Fall to begin the process all over again.

In addition to the benefits outlined above, it is important to note that NH law allows municipalities to regulate development using growth management controls, provided the Town has adopted a Master Plan and a CIP. This year, the Planning Board is proposing a Growth Management Ordinance. Our committee has worked diligently to ensure that the CIP is up-to-date so that the Planning Board can bring this proposal to the voters this year.

### **The CIP Committee recommended the following projects for 2005:**

**Partial Revaluation:** \$50,000 (all from taxation). Necessary.

**Vision Software Upgrade:** \$18,000 (\$9,000 from taxation in FY 2005; \$9,000 in FY 2006). Necessary.

**Repair Roads:** \$150,000 (all from taxation / approx. \$80,000 to be reimbursed by State). Necessary.

**Dump Truck:** \$110,000 (\$57,000 from taxation / approx. \$53,000 from Capital Reserve). Urgent. Evaluate leasing.

**Transfer Station Repave Drive, Build Retaining Wall, etc.:** \$10,000(all from taxation). Necessary.

**Police Cruiser 4X4:** \$32,000 (\$17,000 from taxation / approx. \$15,000 from Capital Reserve). Necessary.

**Pole Barn Improvement:** \$16,000 (from an Expendable Trust to be established). Urgent.

**Repair and Improve Front Part of Public Safety Building:** TBD (Partial funding from an Expendable Trust to be established). Some elements are necessary, others are desirable.

**Pine Grove - Fencing Project, Part One:** \$8600 (all from taxation). Necessary.

The CIP Committee recommended the following additions to Capital Reserve Funds & Expendable Trusts:

**Town Hall Painting:** \$50,000. Necessary.

**Recreation Ball field:** \$20,000. Deferrable.

**Conservation Land:** (account to be created) \$15,000. Desirable.

**Planning Board Master Plan:** (account to be created) \$6,000. Necessary.

**Public Safety Building Addition:** \$30,000. Desirable.

**Fire Department Vehicle:** \$50,000. Necessary.

**Fire Department Equipment:** \$15,000. Necessary.

**Transfer Station:** \$2,500. Necessary.

**Ambulance:** \$25,000. Desirable.

## 2004 REPORT OF THE TOWN COMMON COMMITTEE

The Fitzwilliam Common was host in 2004 to not only the Historical Society's annual Antique Show, but to a new tradition begun last year, the Tree Lighting Ceremony held in early December. Our young tree has continued to grow, making a majestic statement after being festooned with multiple strings of lights donated by Les and Deb Black. The ceremony, jointly sponsored by the Common Committee and the Fitzwilliam Common Merchants Association, saw an estimated 150 people enjoy refreshments and carol singing, capped by the arrival of Santa Claus (thanks again to Gary Taylor). Children will probably always remember their rides on the horse-drawn wagon.

Our thanks to Ellie Rogers, who resigned this year after faithful service which included tending the boxwood hedge donated by the Fitzwilliam Garden Club to enhance the Town fountain. We welcome Claire Borowski in her place.

We encourage townsfolk to contribute their ideas and suggestions at our meetings.

JANUARY 1, 2004 TO DECEMBER 31, 2004**

**ANNUAL REPORT**

In 2004, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Fitzwilliam. The following information represents HCS's activities in your community over the past twelve months.

**SERVICE REPORT**

<b><u>SERVICES OFFERED</u></b>	<b><u>SERVICES PROVIDED</u></b>
Nursing	1,000 Visits
Physical Therapy	127 Visits
Occupational Therapy	47 Visits
Medical Social Worker	33 Visits
Outreach	16 Visits
Homemaker Hours	486 Hours
Home Health Aide	217 Visits
Meals-On-Wheels	2600 Meals
Adult In Home Care	2067 Hours

Total Unduplicated Residents Served: 84

Prenatal and well child care, hospice services and regularly scheduled health promotion clinic are also available to residents.

**FINANCIAL REPORT**

The actual cost of all services provided in 2004 with all funding sources is projected to be \$231,275.00.

In 2004, the cost of services not covered by Medicare, Medicaid, insurances or patient fees was defrayed by the town's membership fee of \$2,040.00 for home care, and \$1,110.00 for meals-on-wheels.

For 2005, we request a total appropriation of \$2,040 to continue home care at the current level and \$1,560.00 for the Meals-On-Wheels program.

Thank you for your consideration.

## 2004 REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands and leased lands on Monadnock, Gap and Little Monadnock mountains.

The Monadnock Master Plan Phase I improvements at Gilson Pond headquarters began this summer of 2004. The NH Department of Environmental Services was responsible for the reconstruction of the Gilson Pond Dam. DES Water Resource Bureau Chief, Jim Gallagher, PE, led MAC members on a tour of the dam site on October 28, 2004 as the project neared completion. The final estimated cost of this reconstruction is \$300,000 with \$130,000 secured by DRED from the Capital Budget appropriation and the remaining \$170,000 to be funded by the DES Dam Maintenance Fund. Gilson Pond will be allowed to refill after ice melt in the Spring.

Also on October 28<sup>th</sup>, Tom Mansfield, Chief Architect and Bureau Chief of DRED's Design Development and Maintenance Division presented blueprints for the family campground layout with sites, buildings and roads identified, as well as design for the campground construction cost of \$650,000. The Division of Parks will utilize funding from Federal Land and Water Conservation Grants where costs exceed the Capital Budget allotment. Construction of the campground should begin in May 2005 continue through the summer.

Each received a vote of applause.

Nancy Carney presented the Board with an automatic external defibrillator for the Town Employees that had taken the CPR Course.

## **2004 ANNUAL MEETING MINUTES - Continued**

John Tommila spoke to the meeting about the fact that the school budget would increase our taxes by 8% and we should be mindful of that when voting on the town Budget.

Article was voted in the affirmative to accepted the Town Report as printed.

**ARTICLE 11.** Carl Hagstrom III, Chairman of the budget Committee made a motion and it was seconded to raise and appropriate the amount of \$1,432,932 for general municipal operations. Joan Knight spoke about the budget and that it was a "bare bones" budget and had been carefully gone over by the Board and the Budget committee to arrive at the figure being presented. It was voted in the affirmative to pass the general municipal operations budget as \$1,432,932.

**ARTICLE 12.** Gene Cuomo made a motion to accept this article and it was seconded. Robert Young inquired if Holman Road would be included in the road maintainence and was told yes. He said that he didn't care if they repaved the road or not since it might mean more traffic on the road. **TOWN OF FITZWILLIAM**

THE STATE OF NEW HAMPSHIRE  
TOWN WARRANT 2005

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the 8<sup>th</sup> day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

**ARTICLE 1.** To bring in your votes for the election of one Selectman for three years; one Town Clerk for three years; one Tax Collector for three years; one Fireward for three years; two Budget Committee Members for three years; one Budget Committee Member for one year; two Planning Board Members for three years; one Cemetery Commissioner for three years; one Cemetery Commissioner for two years; two Trustees of the Library for three years; one Trustee of the Library for one year; and three Commissioners of Plant Memorial Park for one year.

**ARTICLE 2.** (By Ballot) Are you in favor of changing the office of Tax Collector from one of election to one of appointment with the office becoming an appointive office at the close of the business session of the Annual Meeting of the Town in 2006, in accordance with RSA 669:17b?

YES  NO

**ARTICLE 3.** (By Ballot) Are you in favor of amending the definition of "wetlands" in Section 127-16.1 B. of the Fitzwilliam Zoning Ordinance to be consistent with Chapter 243:1 of the Session Laws enacted by the New Hampshire Legislature in 2004 which amends RSA 482-A:2 so that the definition of wetlands is as follows?

“Wetlands” means an area that is inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal conditions does support, a prevalence of vegetation typically adapted for life in saturated soil conditions.”

YES \_\_\_\_\_ NO \_\_\_\_\_

**ARTICLE 4.** (By Ballot) In the event of the passage of ARTICLE #3 concerning the definition of wetlands, are you in favor of renumbering Section 127-16.1 B. (1), (2) and (3) to be Section 127-16.1 C. 1. (a), (b) and (c)?

YES \_\_\_\_\_ NO \_\_\_\_\_

**ARTICLE 5.** (By Ballot) To see if the Town will vote to permit the Fitzwilliam Planning Board to require a Preliminary Review of Subdivisions in accordance with their granted authority under RSA 674:35 1?

YES \_\_\_\_\_ NO \_\_\_\_\_

## TOWN WARRANT 2005 - continued

**ARTICLE 6.** (By Ballot) Are you in favor of amending Section 127-19 F. of the Fitzwilliam Zoning Ordinance to add a reference to porches and building additions so that it will read as follows?

"All reduction to dimensions in the Table of Standard Dimensional Regulations for porches or building additions are to be by Special Exception."

YES

NO

**ARTICLE 7.** (By Ballot) Are you in favor of amending the Fitzwilliam Land Use Bylaw to add Section 127-39.1 Growth Management Ordinance as proposed the Planning Board? The intent of the amendment is to establish a Growth Management Ordinance for the purpose of managing orderly growth and regulating the timing of development in Fitzwilliam and providing for orderly and reasonable expansion of services to accommodate growth as presented by the Planning Board at the public hearing held on February 1, 2005. Among other things, the Growth Management Ordinance will limit the number of new residential building permits issued each year.

YES

NO

**Polls will open not later than 11:00a.m. and close not earlier than 7:00 p.m. or such later time as shall be authorized by vote of the town.**

**ARTICLE 8.** To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

**ARTICLE 9.** To see if the town will vote to create a committee of five members, to be appointed by the Board of Selectmen and charged with exploring the possibility of the town charging for ambulance services and presenting their recommendations to the town at the 2006 Annual Town Meeting. The Committee will consist of one member from the Budget Committee, one member from the Fire Department Member, one member from the Board of Selectmen and two members at large who are not serving on the previously mentioned boards, committees or departments, or take any action thereon.

**ARTICLE 10.** To see if the town will vote to raise and appropriate the budget committee recommended sum of \$1,470,163 for general municipal operations; the selectmen recommend \$1,481,713 or take any action thereon. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

**ARTICLE 11.** To see if the town will vote to raise and appropriate the sum of \$155,000 to repair and maintain roads (including but not limited to preparation and paving) or take any action thereon. ( Recommended by Budget Committee, Recommended by Board of Selectmen)

## TOWN WARRANT 2005 – continued

**ARTICLE 12.** To see if the town will vote to raise and appropriate the sum of \$110,000 to purchase a dump truck, with plow assembly and sander, for the Highway Department, said appropriation to be funded by authorizing the selectmen to withdraw \$40,000 from the Highway Department capital reserve established by Article XVIII of the 1986 Annual Meeting, and \$70,000 to be raised by taxes, or take any action thereon. ( Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 13.** Shall the town vote to modify an Exemption for the Elderly under the provisions of RSA 72:39-a from property tax in the town of Fitzwilliam, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, (\$15,000); for a person 75 years of age up to 80 years (\$30,000); for a person 80 years of age or older (\$60,000). To qualify, the person must have been a New Hampshire resident for at least 5 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than (\$25,000) or, if married, a combined net income of less than (\$35,000); and own assets not in excess of (\$60,000)?

**ARTICLE 14.** Shall the town vote to modify an Exemption for the Disabled under the provisions of RSA 72:37-b as follows: the exemption from assessed value for qualified taxpayers shall be \$30,000. To qualify, the person must be eligible under Title II or Title XVI of the federal Social Security Act, must occupy the property as his principle place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least 5 years, had in the calendar year preceding April 1 a net income from all sources, of not less than \$25,000 if single and \$35,000 if married, and own net assets not in excess of \$60,000 excluding the value of the actual residence and up to 2 acres or the minimum single family residential lot size specified in the local zoning ordinance?"

**ARTICLE 15.** To see if the town will vote to raise and appropriate the sum of \$50,000 to perform a partial revaluation of the real property in town, or take any action thereon.

( Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 16.** To see if the town will vote to raise and appropriate the sum of \$10,000 to install a retaining wall and pave areas at the Transfer Station, or take any action thereon.

( Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 17.** To see if the town will vote to raise and appropriate the sum of \$32,000 for the purpose of purchasing and equipping a vehicle for the Police Department, said appropriation to be funded by authorizing the Selectmen to withdraw \$15,000 from the Police Department capital reserve created by ARTICLE #15 at the 1991 Annual Town Meeting, and \$17,000 to be raised by taxes, or take any action thereon. ( Recommended by Budget Committee, Recommended by Board of Selectmen)

## TOWN WARRANT 2005 – continued

**ARTICLE 18.** To see if the town will vote to authorize the Board of Selectmen to acquire and sell land, buildings, or both. This authorization is in accordance with RSA 41:14-a and will remain in effect until rescinded by a vote of the municipal meeting, or take any action thereon.

**ARTICLE 19.** To see if the town will vote to raise and appropriate the sum of \$20,000 to create an Expendable Trust Fund under the provisions of RSA 31:19-a, for the purpose of purchasing conservation land, and to further name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (\$5,000 Recommended by Budget Committee, \$5,000 Recommended by Board of Selectmen)

**ARTICLE 20.** To see if the town will vote to authorize the Board of Selectmen and the Conservation Commission to negotiate with the Monadnock Conservancy, a regional land conservation trust, or with similar qualified conservation organizations, for the purpose of conveying conservation easements of all the town forests. These easements, which will require final approval by the Board of Selectmen, will assure permanent, enforceable protection to all the town forests.

**ARTICLE 21.** To see if the town will vote to raise and appropriate the sum of \$8,600 to install fencing at the Pine Grove Cemetery, said appropriation to be non-lapsing for up to three years, or take any action thereon. ( \$4,000 Recommended by Budget Committee, \$4,000 Recommended by Board of Selectmen)

**ARTICLE 22.** To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Reassessment Capital Reserve Fund established by ARTICLE #17 at the 1995 Annual Meeting, or take any action thereon.  
( Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 23.** To see if the town will vote to raise and appropriate the sum of \$20,000 to be added to the Expendable Trust Fund created by ARTICLE #15 of the 2003 Town Meeting for painting the town hall and tower, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 24.** To see if the town will vote to raise and appropriate the sum of \$30,000 to create an Expendable Trust Fund under the provisions of RSA 31:19-a, for the purpose of town building maintenance and repairs to all town buildings, and to further name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. The selectmen plan three projects for 2005 – replace the leaking roof and add gutters on the Recreation Pole Barn, repairs to the front of the public safety building and installing an ice pan to the slate roof of the Library. (Recommended by Budget Committee, Recommended by Board of Selectmen)

**ARTICLE 25.** To see if the town will vote to raise and appropriate the sum of \$15,000 to create an Expendable Trust Fund under the provisions of RSA 31:19-a, for the purpose of purchasing SCBA's (self contained breathing apparatus) for the use of the Fire Department, and to further name the Board of
